

VOLUNTEER INFORMATION

Everything you need to know to be a volunteer.

Thank you so very much for your interest in ministering to children through one of the many areas of Delaney **KIDS** Ministry. We highly value you and the ministry you will provide to our kids. We also value our kids and want to provide for them an environment that is safe and nurturing so that they can actively learn about the God who loves them.

As you seek the Lord's guidance on your decision, read through this abbreviated packet for more understanding of our programs.

Then, after prayerfully considering your role, please contact the coordinator in that area for further guidance.

Sincerely,

Children's Council

Delaney Street Baptist Church

Delaney's Mission:

Glorify God by making fully devoted disciples of Jesus Christ.

Delaney KIDS Mission:

Helping Kids Glorify God by becoming fully devoted disciples of Jesus Christ.

Goal

The goal of Delaney **KIDS** Ministry is to provide a safe, exciting environment designed to help children **KNOW, LOVE,** and **FOLLOW JESUS** with all of their hearts. Children will learn in an age appropriate group through interactive lessons how to be fully devoted followers of Jesus Christ.

ARRIVAL TIME

It is important to give all families a **GOOD FIRST IMPRESSION.** Having all the volunteers in the room, with the room set up gives that good impression! If volunteers are waiting for the kids when they arrive, then they can greet them and immediately start to connect with them.

We should be giving our best to God and doing our very best when it comes to serving Him. We want to do our best as we serve in Delaney **KIDS** Ministry, and that includes arriving 10-15 minutes before the class begins, so that our doors can be open to **WELCOME KIDS.**

Behavior of Adults

Adults who serve with preschool and children must be held to a higher standard of behavior. At all times they should operate as if preschoolers and children are observing the adults' behavior.

Adults should be positive and strive to be inspiring Christian role models. They must be aware of the language they use and should always encourage others to further their own spiritual journey.

Two Adult Rule

Two non-related adults must be present at all non-classroom programs or activities involving preschoolers and children, one of whom must be a screened adult. All activities involving preschoolers and children must be supervised by at least one screened adult.

Open Door Policy

Parents, pastors, or church personnel have the right to visit and observe preschool and children activities or church sponsored programs at any time, unannounced. All rooms in which preschool and children activities are taking place should either be easily viewed through a window or open door.
